The zooPoints can only be used for the purposes described in these terms and conditions. Points from other rewards programs (ex: from other companies) cannot be converted to zooPoints. zooplus accounts, and credit for zooPoints are non-transferable and have no cash value. The current balance of a customer's zooplus account is available at the zooplus website under "my zooplus" and can be viewed by that customer at any time.

2.2 Earning zooPoints

For every fully-paid order at zooplus, the customer's zooplus account will be automatically credited with zooPoints. For every € of the order value, the customer will receive 1 zooPoint. zooPoints are automatically credited to a customer's zooplus account when the customer's order has been paid in full, and the payment has been completely booked in zooplus' system. The credit is awarded to the customer account over which the order was placed. If a customer orders via multiple customer accounts, the zooPoints will be credited to the individual account the respective order was placed under. It is not possible to transfer zooPoints from one customer account to another.
