

Terms & Conditions for the zooplus Savings Plan

The zooplus Savings Plan ("Savings Plan") is subject to the following Terms and Conditions which are applicable to the customer and zooplus SE (zooplus) in the version valid at the time of contract conclusion.

1. Participation

The Savings Plan offer is available to selected customers of legal capacity, who are registered with the online shop www.zooplus.ie ("Online Store") with a delivery address in Ireland. When registering the customer is responsible for the accuracy of all personal data. The customer is obliged to treat all personal access information as confidential and must not give access to unauthorised third parties. The selection process for customers suitable for the Savings Plan shall be solely determined by zooplus.

2. Contract conclusion

The Savings Plan options offered to selected customers in the "Order Preview" is not binding. It only becomes binding once the customer has selected a Savings Plan and clicked the "Place Order and Pay" button to complete the purchase. The customer is then sent an automated email confirmation that their order, including the Savings Plan, has been received. This automated confirmation (Order Confirmation) does not constitute acceptance of the offer.

The Savings Plan contract with zooplus is only concluded when zooplus confirms activation of the Savings Plan in a second email (Savings Plan Confirmation). When the pre-payment option is selected the contract is concluded as soon as zooplus sends the payment information. This payment information is sent to the customer within 24 hours of receiving the order.

3. Savings Plan

3.1 General

The Savings Plan is a fee-based discount programme which can only be concluded in conjunction with the purchase of other goods. The Savings Plan enables the customer to take advantage of a specified basic discount on their orders in the zooplus.ie Online Shop within the period specified in the Savings Plan. Depending on the Savings Plan selected, the customer will also receive a fixed discount on selected product groups or brands (so-called premium discount) within the period specified in the Savings Plan. The basic discount is not added to the fixed premium discount on selected product groups or brands.

The Savings Plan is exclusively for individual (non-commercial) customers and only for their personal use. The customer can only purchase goods up to a value of EUR 3000.00 per year (excluding delivery costs and before deduction of any discounts). The selected Savings Plan

cannot be used for commercial purposes. zooplus reserves the right not to accept contractual offers that appear to be made for the purpose of reselling goods commercially.

The selected Savings Plan is only valid for the zooplus customer account with which it was purchased with. It cannot be transferred to a different customer account. Only one savings plan can be concluded per customer account. Furthermore, subject to change, the Savings Plan can only be used for delivery to Ireland.

3.2 Discount and discount exclusions

Based on the Savings Plan selected, the relevant discount is automatically applied to the customer's online order, before delivery costs are added. Unless otherwise stated, the Savings Plan cannot be combined with other discount groups (e.g. breeder, charity etc.). There is no cash payout of the monies saved by using the Savings Plan.

Temporary promotions as well as items explicitly marked as non-discountable are excluded from Savings Plan discounts. zooplus reserves the right to exclude items from the discount without giving reasons.

3.3 Duration of Savings Plan

The term depends on the Savings Plan selected and terminates automatically on the expiry date. The customer will be notified about the expiry of the existing Savings Plan by email, using the email address provided when ordering the Savings Plan. Notification will be sent up to 42 days prior to the expiry of the existing Savings Plan as well as on the expiry day of the existing Savings Plan. An extension of the Savings Plan is only possible if the customer receives an offer from zooplus prior to the expiry date. There is no automatic entitlement.

3.4 Prices and Delivery Costs

The prices advertised at the time of purchase are valid. Prices are inclusive of VAT. There are no delivery costs for the Savings Plan.

3.5 Payment, payment date & default

Payment for the purchase of the Savings Plan should be made using the same payment method (<https://www.zooplus.ie/info/legal/terms#payment>) as for the entire order. zooplus reserves the right in individual cases to accept only certain types of payment. When paying by debit/credit card, your card will be charged within one week of dispatch of the Savings Plan.

3.6 Information about your Savings Plan

You can check the current status of your Savings Plan at any time in "my zooplus".
